Please Join!

The Montgomery County Foster Parent Association (MCFPA) is a non-profit organization and is independent from DHHS. All foster and adoptive parents and other interested persons are welcome at our meetings which are held the second Thursday of every month except July, August, and December. Dues are \$10 per year and can be mailed in or paid at the meetings.

The purpose of our organization is to address the needs of the children in care. This purpose is met by supporting foster and adoptive parents, answering questions, finding solutions, presenting helpful speakers at the meetings, and providing camps, tutoring, reduced cost day care, and sports activities.

Another benefit to joining is that you receive 1.5 hours of continuing education credit for each meeting you attend. You are required to complete six (6) hours of credit each year to maintain your license.

Meeting Child Care

is available free of charge.

Many of our topics are unsuitable for young ears, so we ask that no children old enough to comprehend the content be brought in to the meetings.

IMPORTANT: We will be regularly checking in on the children to be sure everything is well and there are no behavior problems. Any child not following the rules or the direction of our provider will be removed from the child care room and returned to the responsible parent(s). Since some of the meeting topics are not appropriate for young ears this may require that you leave the meeting as well. If you are bringing older children to the child care room please have a discussion with them about proper behavior, respect for others and property, and following the rules.

If you need child care during our meetings, call Bobbie Augustine a week before any meeting at (301) 977-0792. Children will not be accepted without a reservation.

THE MEDICAL MOMENT:

FOSTER CARE SCREENS: Please make sure all children coming into your care get a brief medical examination within 5 business days. If you need any assistance in getting the screen, please call either Lisa Merkin at 240-777-3547 or Brenda C. Petersen at 240-777-4439. After getting the exam, please send a copy of the medical report or doctor's note to the caseworker so it can be placed in the child's permanent record.

COMPREHENSIVE EXAMS: Within 60 days of coming under the state's jurisdiction, every child must have a comprehensive medical examination. Please make sure children in your home are receiving the medical care mandated by law. Again send a copy of the doctor's notes to the caseworker so it can be placed in the child's permanent file.

ANNUAL PHYSICAL EXAMS: Every child needs to receive, *at the very least*, a yearly medical examination; however, if they are receiving immunizations or ill, then they need to be seen more frequently.

AT EACH EXAM, ASK THE DOCTOR WHETHER THERE IS ANY FOLLOW-UP THE CHILD NEEDS AND IF SO, PLEASE FOLLOW THROUGH ON THE RECOMMENDATIONS MADE BY THE PHYSICIAN. IF YOU NEED ANY ASSISTANCE IN ACCESSING MEDICAL CARE FOR YOUR CHILD, PLEASE CALL BRENDA C. PETERSEN AT 240-777-4439.

DENTAL: Every child coming into care that is at least 2 years old should have a dental screen. Please make sure children see a dentist while they are with you.

PREGNANCY PREVENTION: Talk to children in your care about ways to prevent pregnancy.

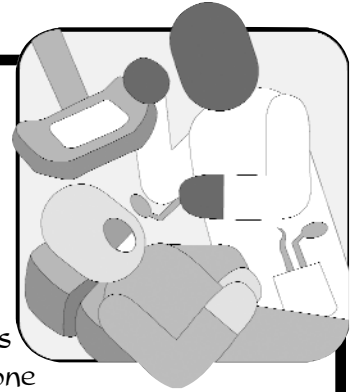

YOU'RE INVITED TO A FREE CONFERENCE ON APRIL 10, 2002 ON PREGNANCY PREVENTION

She can also perform some root canals and may have someone in her office in the future, who can provide orthodontia. Clothing Needs for Children in Foster Care

Many of our children are coming into foster care without clothing. The foster parent's responsibility is to purchase new or almost new items for the child within 30 days of placement.

Your children's clothing items will be checked periodically by one of your workers during a routine visit. It is the foster parents' responsibility to replenish and maintain clothing. When a child leaves your home, those items purchased for him/her should go with

him/her. A suitcase or canvas bag should be used to transport clothing. Large items of clothing such as coats may be "recycled" when a child outgrows the item. It should be clean and in good condition before giving it to another child. Shoes and underwear should not be recycled and should be purchased new.

If you have questions as you plan for your foster child's clothing needs, the child's workers or your home worker will be able to help you.
