## Please Join!

The Montgomery County Foster Parent Association (MCFPA) is a non-profit organization and is independent from DHHS. All foster and adoptive parents and other interested persons are welcome at our meetings which are held the second Thursday of every month except July, August, and December. Dues are \$10 per year and can be mailed in or paid at the meetings.

The purpose of our organization is to address the needs of the children in care. This purpose is met by supporting foster and adoptive parents, answering questions, finding solutions, presenting helpful speakers at the meetings, and providing camps, tutoring, reduced cost day care, and sports activities.

Another benefit to joining is that you receive 1.5 hours of continuing education credit for each meeting you attend. You are required to complete six (6) hours of credit each year to maintain your license.

# Meeting Child Care

is available free of charge.

Many of our topics are unsuitable for young ears, so we ask that no children old enough to comprehend the content be brought in to the meetings.

**IMPORTANT:** We will be regularly checking in on the children to be sure everything is well and there are no behavior problems. Any child not following the rules or the direction of our provider will be removed from the child care room and returned to the responsible parent(s). Since some of the meeting topics are not appropriate for young ears this may require that you leave the meeting as well. If you are bringing older children to the child care room please have a discussion with them about proper behavior, respect for others and property, and following the rules.

If you need child care during our meetings, call Bobbie Augustine a week before any meeting at (301) 977-0792. Children will not be accepted without a reservation.

# Clothing Needs for Children in Foster Care

Many of our children are coming into foster care without clothing. The foster parent's responsibility is to purchase new or almost new items for the child within 30 days of placement.

Your children's clothing items will be checked periodically by one of your workers during a routine visit. It is the foster parents' responsibility to replenish and maintain clothing. When a child leaves your home, those items purchased for him/her should go with

him/her. A suitcase or canvas bag should be used to transport clothing. Large items of clothing such as coats may be "recycled" when a child outgrows the item. It should be clean and in good condition before giving it to another child. Shoes and underwear should not be recycled and should be purchased new.

If you have questions as you plan for your foster child's clothing needs, the child's workers or your home worker will be able to help you.
